

The Office Administration AAS is designed to prepare students for administrative positions in an office setting. Course work is presented in general education, office technology, business procedures and computer technology.

Career Opportunities

Graduates of the Office Administration AAS may find employment as administrative assistants, executive office managers, office managers, executive secretaries, receptionists and personnel clerks. Following provided pathways may also help graduates find employment as medical administrative assistants, medical office personnel, patient access representatives, hospitality administrative assistants, and legal administrative assistants. Opportunities are available in large corporations, small business offices, insurance offices, nonprofit organizations, medical and legal offices, hospitality businesses, and government offices. See Pathway plans.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Use advanced keyboarding, document processing and information management skills.
- Effectively use the Microsoft Office Suite in word processing, spreadsheets, database applications, presentation and desktop publishing software applications.
- Proofread and edit copy with a high degree of accuracy.
- Use appropriate office procedures in records management, telephone communications, electronic and hard copy mail, meetings and conferences, travel arrangements and financial matters.
- Adapt to the changing nature of technology, equipment and procedures while retaining appropriate office practices.
- Work independently or in teams to demonstrate effective interpersonal and problem-solving skills, attitudes, work habits, professional behavior and ethics.
- Provide ethical service to a diverse customer base
