

Geothermal Learning System – HVAC
Geothermal Training System
Toolholder Kit
48 x 48 cnc router
Grinding Wheel
Basic Electrical Machines Learning System
Electronic Counter Learning System
Electronic Motor Control Learning System (4)
Electronic Sensors Learning System
AC Motor Teaching System
3d printer w 14"x 10"x14"
Guided Bend Test Machine
HAAS CNC Lathe ST-10
HAAS Control Simulators
HAAS Mini-Mill
HAAS Rotary Table
HAAS Simulators
CNC Drill
Amatrol PLC Troubleshooting Workstation, Application Stations, and Learning System
Hardness Tester
Heat Pump Training System
Heat Pump Training System/Geothermal Training System
Horizontal Bandsaw (10" x 16")
Horizontal Mitering Bandsaw (10" x 16")
HP Design Jet Printer
Hydraulic Troubleshooting Learning System
Industrial Electrical Wiring Learning System/Install
Industrial HMI Package
Industrial Microscopes – Electronics
Bench Vises
VF 2ss Super-Speed Vertical Machining Center
Engine Driven Welder
DC Electronic Teaching System
FANUC Robot with Controller x 3
Laser Alignment Learning System
laser engraver 24 x 24 30 watt
CNC lathe x 5
6" Milling Vise
Level/Flow Process Control Learning System
Level/Flow Process Control Learning System; Temperature Process Control; Analytical Process Control
Machine Mover
machine shop
Mag Chuck
Manual drill press x 8
Manual lathe x 8
Mechanical Drives 1 Learning System
Mechanical Drives 2 Learning System
Mechanical Drives 3 Learning System
Mechanical Drives 4 Learning System

Miller Welding/Panasonic Robotic Welding Cell
Modular Fixturing for Welding
Fault Troubleshooting Systems/Installation (4)
Motor Control Center
CNC mill x 5
ABB Robotic x 2
Floor and Bench Drill Press
AC Electronic Teaching System
Transmitter Learning System
AXA Wedge
Compact Waterjet
Optiplex Minitowers/Dell Monitors/AMD Radeon Express Graphic Cards (18)
Turning Tool System
Doosan CNC Mill
Controls Technology Learning System/Basic Hydraulics
Fume Extractor
Peel 3 Scanner
Plasma Cutter – Welding
Pneumatic Troubleshooting Learning System
2-step Aluminum Work Platform
Walk-in Freezer Training System
BXA Wedge
Variable Frequency Drive
Radial Driven Toolholder
RealWeld
RealWeld Trainer
Reduced Voltage Starting Learning System (5)
Retention Knob
CXA Wedge
Rigging 1 Learning System
Tool Carts
AC Electronic Drives Learning System and DC Electronic Drives Learning System/Installation (2)
S5 Metal Printing 3 D system
S7 3D Printing System
Centrifugal Pump Learning System
Visual Presenter
AC/DC Electrical Learning System
Siemens HMI Displays for PLC
Spectrum Analyzer – Electronics
20 Miller Welders/20 feed packages for welders
Free-Standing Cyclone-3624 Sand Blaster
Collett Chuck
Commercial Refrigeration Trainer
Surface Roughness Tester
Tensile Tester
Tool and Cutter Grinder
