Special Circumstances are situations beyond an individual’s control that affect income reported on the 2024-2025 FAFSA. The Financial Aid Office welcomes you to use this form to appeal your family’s financial circumstances. Our ability to modify your financial aid award will depend on the availability of funds and the extent to which your circumstances reduce your FAFSA’s Student Aid Index (SAI). Please check the circumstances that apply to you and provide the information and documentation requested for **both 2023 and 2024 below**, regardless of when the reduction has occurred.

No action will be taken on your request unless documentation accompanies your Special Circumstances request.
